Community Strengths

The City of Brunswick, located at I-71 and State Route 303, is your prime location for your business, home and future. Brunswick is committed to the success of you, the entire community. In our business friendly community, we support business through our retain, grow, attract and support approach. We want the businesses of Brunswick to be successful and to feel a sense of belonging to our community. We do that through our many stakeholders, they make the difference, they care about the community and they care about the success of our community. We work with you to help your business grow and succeed. Brunswick boasts many strengths and assets; our pro-business and community City Council form of government, the high speed county fiber network available throughout the business parks, workforce and skill development alliances, our large available workforce, location and networking within our business sectors and our education resources, including our Brunswick University Center with Tri-C as anchor to higher education and workforce training. Our community is also growing our K-12 education with a new Middle School opening fall 2020. By adapting to the evolving needs of the community, our educational system is able to produce programs that directly impact the region’s economy. We believe in quality growth as we work to make a wonderful city even better—come and enjoy all we have to offer.

Brunswick Business Parks

This park includes medical supplier, food manufacturers, technology, robotics, distribution, construction materials, corporate offices and specialty manufacturers, the South Business Parks offer the convenience of I-71 and the ability to know your business neighborhood. Many of the businesses in the park work together on projects and as customers/vendors. What a place to be!

With its main entrance at SR 303 and I-71, this is an active industrial/business park. Home too many diverse businesses, including, stamping, CNC operations, specialty packaging, specialty coating, scientific development labs, general machining, construction design and development, technology, engineering and many more. With over one hundred businesses, we have vendors, suppliers and assemblers ready to partner with you to help your business.

This unique location offers businesses the space to grow at the same time the close proximity to highways. With some major distribution outlets, specialty chemical, automotive parts suppliers, powder coating manufacturers, and technology fulfillment centers, the Brunswick Commerce Center offers opportunities for everyone.

Business Tax Incentives

New economic incentives have attracted hundreds of millions in new investment through the growth of business and residential developments in the past two years, and more is on the way. Forward-thinking business people are discovering the “can do” spirit prevalent in Brunswick. With economic development incentives and a business cooperative government, we welcome you to contact us to assist you in exploring ways for your business to grow and expand in the city that Family Circle called “One of the Best Cities in America to Raise a Family!”

Tax Incentives

Community Reinvestment Areas (CRAs)

Brunswick currently has a Pre-1994 Community Reinvestment Area for the entire City of Brunswick for our tax abatement program.

All industrial and commercial land in the City of Brunswick is part of the CRA. The City of Brunswick can provide tax incentive on the real estate improvement, upon application, and approval, for up to 15 years based on 100% of the real estate improvements.

Brunswick Jobs/Payroll Incentive Grant

Incentive program established by the City of Brunswick that offers annual grants based off withholding tax paid by eligible projects.

For more information regarding the CRA and Brunswick Job/Payroll Incentive Grant Programs contact, Grant Aungst, Community and Economic Development Director, gaungst@brunswick.oh.us.
